

NABEEL AHMED MUGHAL

Architect & Interior Designer

Mr. NABEEL AHMED MUGHAL has Bachelor's degree in architecture from National College of arts (NCA), and professional courses in interior designing from Boston Architectural college, Boston, MA, with twelve years of experience in architectural and interior designing, in local and international design development and execution. His architecture and interior design work at ArcVue Studios include commercial projects, corporate offices, theme parks, bungalows, public sector projects, museum and art galleries, to name a few. He has a firm grasp over his designs from conceptualization to the last degree of execution. In addition to keeping himself in close coordination with the architects engineers, and interior designers, his management has led him to authorize required change at all times.

HIGHLIGHTS

- Principle architect ArcVue studios
- Principle architect Blocks studios
